### Optional add-ons:

Pre-installation survey: An onsite survey by a trained technician is available for \$329. This includes assessing site readiness and detailing any necessary work before shipping equipment or scheduling installation.

Scanner: Enable barcode scanning with our bezel-mounted 1D/2D model available for just \$210.

Please refer to the agreement for an overview of terms and exclusions

\* Per location for up to three kiosks. Additional kiosks to be quoted.

\*\* 'No transaction fees' signifies that Checkmate does not impose additional charges. However, fees from payment processors themselves will still apply.
